## Thomas Jefferson's Presidency

Read each section and write four important facts in the notes section. Choose two facts from each set of notes to turn into a question and write in the questions section. Summarize what your learned about Jefferson in the summary section. Objectives: Analyze the reasons the twelfth amendment was added to the Constitution, explain Jefferson's philosophy of government and explain the impact of important Supreme Court cases.

| Do you think Congress changed the voting rules after the election or 1796? Why or why not? |                                                                                   | Which side, Federalists or Republicans, would you "most" likely agree with? Why? |
